Love Pop up Box

Instructions:

1. Fold Basic Black card stock base on all the score lines from each end. (point the ends toward each other)
2. Place the card base in the paper cutter and cut a small line in the centre of the 5-1/2" line.
3. Adhere the pattern paper to the Basic Black layer and adhere to the end of the cardstock base.
4. Adhere the ends of the pop up box to each other in the centre so that the DSP layer shows through the opening in the middle of the card.
5. Stamp the greeting using Memento Ink on to a piece of scrap white card stock. Die cut using one of the long narrow dies from the Always die set. Using the Always dies, and the Stampin' Cut and Emboss machine, cut out the love greeting with the foil dsp. Adhere to the stitched circle and then the Basic Black circle die.
6. Glue this to the front of the top the Pop up part of the card.
7. Add the Matte Black dots.
8. Add the Ribbon and a Heart charm around the top of the card base.
